POTRUBIE STUDENEJ VODY

EXPANZNÉ POTRUBIE

The diagram illustrates the distributive property of multiplication. It shows a large rectangle with a total width of $b + c$ and a total height of $a + c$. The rectangle is divided into two parts: a smaller rectangle at the top with width b and height a , and a larger rectangle at the bottom with width c and height a . The labels a , b , c , and $a + c$ are placed along the sides of the rectangles to indicate their dimensions.
